

limbs kids

Support for children and young people with
limb differences and their families

limbs4kids.org.au

Limbs 4 Kids supports Australian children and young people with congenital and acquired limb differences. Limbs 4 Kids provides assistance to parents, carers, siblings, family members, healthcare providers, educators and community workers.

The Limbs 4 Kids program offers:

- > A Learning Centre
- > Peer Support
- > Fact Sheets
- > Parent Handbook
- > Thrive Magazine
- > Information
- > Parent-to-Parent Online Forum
